

Second Sunday Events

Second Sunday events are held once a month and are designed based on the principles of building an authentic, inclusive community, appreciating Mother Earth and all her abundance, learning something new and meeting new friends.

Second Sunday Events give our guests an opportunity to experience a taste of what Winterville has to offer without registering for a workshop or retreat session.

Some Second Sunday themes are new this year and others are being offered again by special request as guest 'favorites'

2017

- April 9 Still We Rise Bread-making
